#### A Line o' Cheer Each Day o' the Year. By JOHN KENDRICK BANGS.

First printing of an original poem, written daily for The Washington Herald.

#### CUT IT OUT.

You've twenty virtues and but one small vice? Well that is truly very, very nice. You're like an apple sweet all flushed with pride With only one small hungry worm inside! (Copyright, 1916.)

Speaking only of votes, of course, the Republicans well may shout, "Remember the

to send a note to London protesting against the executive officers. alleged violation of United States neutrality by a British destroyer which held up the steamer Cebu within territorial waters at the entrance to Manila Bay. London probably will adopt the same tactics that Berlin used when the State Department protested against the sinking of the

A pretty young woman asked a New York traffic policeman for a penny. She said she had nine cents and needed a tenth so she could ride home in a bus. The policeman did not have a penny so he gave the sweet young thing a nickel. Then a newspaper published an account of the transaction on its front page. The betting now is about 10 to 1 that the policeman will ask for the same of the penny so he gave the sweet young thing a nickel. Then a newspaper published an account of the transaction on its front page. The betting now is about 10 to 1 that the policeman will ask for the penny so he gave the sweet young thing a nickel. Then a newspaper published an account of the transaction on its front page. The betting now is about 10 to 1 that the policeman will ask for the penny so he gave the sweet young thing a nickel. Then a newspaper published an account of the transaction on its front page. The betting now in the capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three plant almost within the shadow of the Capital three were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sharks in the knows why there were so many sh a change of post to avert bankruptcy.

lf Mr. Hughes is elected, few will envy him the task of solving the railroad problem as it surd. When war orders began to come to the tities of horses and mules across the Atlantic will be left by the outgoing administration. Mr. Hughes will not be confronted by a strike, perhaps, but by a legislative tangle such as few Presidents have faced on entering office. His work. record as governor of New York, however, is convincing that he is capable of devising a settlement that will be fair to the railroads, their

thement that will be fair to the railroads, their employes, and last, but not least, the people.

If Mr. Wilson's campaign managers were as considered in the final choice. Here again Washington ranks above most of its competitors.

The fact that the government already owns agree that the campaign managers are still on the job and if they know their business and have closely studied the Maine results they will stay on the job until the last minute. There is much work to be done between now and November and the election may be decided in the last week of the campaign.

Mr. Cowley is an expert on sharks, by the allows a very trim and speedy yacht, the Fidget, formerly the property of the late Grounds, sequence to the naval ordance factory and the site to the naval ordance factory and the site to the naval ordance factory and the last minute. There is much work to be done between now and November and the election may be decided in the final choice.

One must avow that all which is said on these accusations is not undeserved. But one should be taken into consideration.

One must avow that all which is said on these accusations is not undeserved. But on the solutions were almost insurmountable.

must also admit that the difficulties which con-fronted Mr. Wilson were almost insurmountable. It is unwelcome. He tears the net, raises tophet to sta strived at Southern Drill of the confronted Mr. Wilson were almost insurmountable. research in the city itself. We must not lose sight of the fact that the United States are pacific; that they disapprove of war; from which it follows that the President will go to the limit of concessions compatible with his country's honor. We have reasons for hoping both for America's and for the allies' cause that some ground for an understanding will be found either by direct negotiations or indirectly by the mediation of Chili. Would it not be strangely fatal if Mr. Wilson, who has liged in the last months of his first Presidency to let loose the war dogs?—Le Progres, Lyons.

The time I was Mr. Cowley's guest on one of the shark nuisance, but just as, we were going to finishing the last draw he butted in. He was the capital of the capital of paramount importance.

Of the 115 cities which are competing for the prize, it is doubtful if any will offer as varied and substantial advantages as those presented by the Capital. Other cities were represented by the Capital. Other cities were represented by United States Senators, Representatives and others prominent in the world of politics, but the case for Washington was presented by an able of these trips, we thought we were going to of these trips, we thought we season to of the will go to the limit of concessions compatible with his country's honor. We have reasons for hoping both for America's and for the allies' cause that some ground for an understanding prize, it is doubtful if an and substantial advantage

More About Maine.

The fellow who inserted his nose between the teeth of his enemy and held him down had nothing on Secretary Daniels and some others who have been able to find evidence of Republican defeat in Maine. The Secretary of the Navy says that it was a Democratic victory because of the reduced Republican majorities. Chairman McCormick and Senator Walsh are possessed of the same kind of optimism, and Vice President the Same kind of optimism, and Vice President the Democrats to

circction news. No one will deny to Democrats, Prohibitionists and Samuel Gompers the Job's comforters they are nursing with forced smiles on their faces, but it is not so comforting to the defeated candidates in Maine. They have the plain evidence of their defeat, and like Speaker Clark admit that they were beaten good and circumstance of the idea was carried into effect and the Casino roof garden immediately jumped into the defeated candidates in Maine. They have the plain evidence of their defeat, and like Speaker Clark admit that they were beaten good and circumstance of the idea was carried into effect and the Casino roof garden immediately jumped into the case and flet that we would be rectified in catablishing the boundary line between the merits or demerits of the merits or demerits or demerits of the merits or demerits of the merits or demerits or demer on their faces, but it is not so comforting to the defeated candidates in Maine. They have the plain evidence of their defeat, and like Speaker Clark admit that they were beaten good and plenty. They also know that Hughes, Roosevelt, the Old Guard and the Progressives, coming together on national issues, made Maine again a Republican State to send out the old message of 1840, "Maine, have you heard the news from Maine, how she went hell bent for Gov. Kent, for Tippecanoe and Tyler, too."

In gibit, unless, in the meantime, the hew clause regarding retirement for age of the meantime, the ewiclause regarding retirement for age of the concession we asked.
